- You must submit a folio with this pre-selection kit. Your folio must comprise 15 to 30 pieces of your own work and should be communication design focused, although it may contain a variety of work including, art, design or media work that demonstrates the breadth of your interests and expertise, as well as your conceptual and technical skills. For example, your folio may include: drawings, paintings, graphic design, photographs, motion graphics, digital images, models, sculpture, video, interactive media, games, websites, short writing pieces, and/or 2D and 3D animation.
- You may also include development work as well as finished work. We recommend you explain each work, to help the selection officer understand the work's purpose and background.
- If your work is a collaboration, please detail precisely your role and the role of the collaborator/s.
